

# G.O.P. COMMITTEE SETTLES CONTESTS FROM FLORIDA

Steps Taken for Negroes to Have a Voice in 1924

## NO DECISION ON GEORGIA

CHICAGO, June 3.—Besides settling the delegation contests in Florida by splitting the delegation, the Republican national committee today took what many members construed to be one of the most important actions of the party's vote in a southern state.

Aroused by the number of delegate contests in which evidence was brought that district conventions had been held in places where negroes were excluded by custom or practice, the committee by a unanimous resolution gave notice that conventions for the selection of delegates in 1924 must be held in places where race was no barrier to participation. A resolution to that effect offered by Charles B. Warren, national committeeman from Michigan, aroused lively discussion and some hot retorts from the southern committee members, because in its language it originally referred to the southern states specifically. When amended to refer to all states alike, however, it found no opposition and the southern committeemen voted for it.

The decision in the Florida case was a Wood victory, in the sense that it keeps six votes for General on the roll when his candidacy was threatened with the loss of all votes from that state. Out of a mesh of legal technicalities the committee came to the conclusion that in a strict legal sense neither the delegates at large of the so-called Gerow action, headed by National Committeeman Wood, who are counted in the Wood column, nor the delegates at large headed by H. H. Anderson of Jacksonville, which are claimed for Senator Johnson ought to be seated. It was confronted, however, with practically abolishing the Republican party in Florida if it declined to seat somebody. National Committeeman Street of Alabama led the fight for seating the whole Gerow faction and Committee Work of Colorado athered a move to seat neither. Dr. Warren of Michigan, however, presented the compromise by which both sets of delegates at large of the Gerow and Anderson factions were ordered seated with half a vote each. The contest against the Gerow district delegates collapsed at the last moment and they were ordered seated. The result gave National Committeeman Bean six votes out of eight in the state delegation and seemed to forecast his reelection to the national committee.

The North Carolina contest was a straight out and out black and white issue, resulted in the seating of the white delegation led by John M. Moorehead, of Charlotte, N. C. national committeeman. In the contest from the sixth district of Tennessee, one delegate claimed in the Wood column was seated. In the second Oklahoma district, two regularly reported delegates, uninvited were seated and the contest was decided. The contest in the fifth Oklahoma district involved the organization of national committeeman McCraw. His delegates prevailed and four were seated with half a vote each. A similar contest from the fourth Oklahoma district was referred to a sub-committee.

The day's work disposed of thirty votes and still left 57 in contest. In all 62 convention seats out of 137 contested had been decided but the remaining contests promise to consume less time and may be finished up by Saturday. The Georgia case still was awaiting decision when the committee adjourned until tomorrow.

The lineup of delegates in the various columns stood this way at the close of today's work:

Wood	117
Johnson	112
Lowden	62
Harding	39
Polindexter	14
Sproul	76
Sutherland	16
Pritchard	22
Remaining in contest	22
Uninstructed	445

Total delegates—942. After the days session all the committeemen were guests at the annual dinner given in their honor by Fred W. Upham, the treasurer.

The speech by which the name of Governor Frank O. Lowden of Illinois will be presented to the Republican national convention will be of only ten minutes duration, it was said tonight at New York's headquarters. Representative William A. Rodenburgh of the twenty-second Illinois congressional district will make the speech. Representative Rodenburgh's home is in East St. Louis, Ill. Senator Warren C. Harding of Ohio, who was expected to arrive in Chicago tonight, (Continued on page four)

# COLOMBIAN TREATY SENT BACK TO SENATE FOR FINAL ACTION

Recommendations Made by Sub-Committee of Foreign Relations Committee

WASHINGTON, June 3.—Recommendations that the long pending treaty with Colombia, growing out of the partitioning of Panama be reported back to the senate for final action were made to the foreign relations committee today by the sub-committee appointed to draft an amendment designed to protect American oil and mining interests from the operation of the presidential decree regarding by some senators as confiscatory.

The sub-committee of which Senator Fall, Republican, New Mexico, is chairman, said an amendment was unnecessary because the supreme court of Colombia had declared invalid not only the presidential decree but legislation along similar lines which had been presented in the Colombian congress. It called attention that this decree was similar to that issued in Mexico, against which the United States has protested, but expressed confidence that Colombia was sincere in the expression of desire to protect American rights and interests.

The sub-committee's report was approved by the full committee late today and the treaty will be placed on the senate calendar probably tomorrow.

Senators said there was little probability of its being acted upon until the next session of the senate which begins in December. The treaty was before the senate for ratification last summer when the presidential decree was issued and it was recommended for amendment. The original draft had been signed at Bogota by the Colombian government in 1904, but subsequently had been changed by the state department to meet objections of senators who opposed, especially the clause by which the United States would have expressed regret over the partitioning of Panama. The document provides for the payment of \$25,000,000 to Colombia, and when it was taken up in the senate last summer, it was understood that Colombia had agreed to the changes.

The sub-committee in its report today, however, said the records of the state department did not show that Colombia had given its approval. Before the Colombian supreme court had passed on the presidential decree the sub-committee had drafted an amendment, the character of which was communicated to the Colombian government through Minister Philip at Bogota.

## PERSHING STARTS TOUR OF MAINE

PORTLAND, Me., June 3.—General Pershing began today a three days' tour of Maine as the guest of the state. He was welcomed at Biddeford, where he arrived early in the day from New York by Governor Milliken. During his visit he will travel over the state by automobile accompanied by Governor Milliken, the governors staff and members of the executive council, the itinerary covering 11 of the 16 counties.

At Biddeford, the streets thronged with the general passed were lined with school children cheering and waving American flags.

## RAILROAD SOLD UNDER HAMMER

EVANSVILLE, Ind., June 3.—The Evansville and Indianapolis railroad was sold under foreclosure proceedings at Oakland City, Ind., today to a bondholders' committee composed of Garrett T. Townsend and Raymond M. Smith for \$1,005,000. The upset price was fixed at one million dollars. It is understood that immediate arrangements will be made to enter into a contract with the Big Four railroad company to operate the road for three years with an option to purchase it at anytime within that time at a price to be fixed in the contract.

## PLEAS MADE FOR CONDEMNED MAN.

Springfield, Ill., June 3.—Plea in behalf of Arthur Haensel, world war veteran, sentenced to hang in Chicago June 11 for murdering his wife, were presented to the division of pardons and paroles today by his mother, Mrs. Haensel, and his two sisters, Martha and Bertha Haensel. The case was taken under advisement.

## "GENE" GEARY CAPTURED.

Chicago, June 3.—"Gene" Geary, wanted in connection with the slaying of Harry J. Reekas, former saloonkeeper, was captured late today by detectives, the state's attorney office announced. The officers reported they found Geary in bed in a house on the south side and that he surrendered without attempting to resist. They said he was dressed shabbily. Geary was taken to the office of State's Attorney Hoyne to be questioned.

## WELL KNOWN ACTOR DIES.

London, June 3.—Clifton Crawford, an actor known on both sides of the Atlantic, was found dead at 6 o'clock this morning in an arway of the hotel on Leicester square at which he was stopping, having fallen five stories from the window of his room.

# OBREGON ORDERS BIG REDUCTION IN MEXICAN ARMY

Will be Cut Into Half Present Size, Washington Hears

## PEACE WITH VILLA SOUGHT

WASHINGTON, June 3.—Reduction of the Mexican army has been started at the suggestion of General Obregon, according to advices received in Washington today from the de facto government. General Obregon is quoted as saying that the army would be reorganized and reduced to half its present size. The organization of a force of rurales to police the outlying parts of the country also has begun, these advices state.

Negotiations were opened with Francisco Villa to head the new rurales, but he is reported to have refused.

The report received today by the state department that General Francisco Enriquez, commander of the Chihuahua district, was in pursuit of Villa following a battle yesterday at Parral, is believed by representatives of the de facto government here to be a mistake. They said the military movement against Villa had been held up pending negotiations to bring about his peaceable retirement. Villa, the agents said, has notified the de facto government that he desires no position for himself, but wishes to retire. He is holding out, however, for guarantees for his subordinates and for the promise of enactment of legislation to modify parts of the bureaucratic constitution.

Some observers here of Mexican affairs believe this constitution will be the rock on which the next break of the various Mexican factions will come. Mexico in Oaxaca is still in revolt now against the de facto government for the restoration of the constitution of 1858, and he is supported by the entire government of the state.

## FAVORITE LODGE IN SEMI-ANNUAL ELECTION

Officers Chosen at Regular Meeting—Three Candidates Given Rank of Knights—Refreshments Followed.

Favorite Lodge No. 376, Knights of Pythias, held its semi-annual election of officers at the regular meeting Thursday evening. There was a large attendance and the meeting proved of especial interest. Three candidates, Walter Hallenthal, Roy D. Tholen and Edward Miller, were given the rank of Knight. The officers are: C. C.—L. F. Jordan, V. C.—John Bradford, P. C.—Clarence Swaby, M. of W.—Lee Stice, M. of A.—Alfred Smith, L. G.—Hugh G. G. G.—O. H. Buhman. Representative to grand lodge for two years, Louis B. Turner, presiding at the election and conferring of the rank a social hour was enjoyed and refreshments served.

## INSTALL SOUND AMPLIFYING DEVICES

CHICAGO, June 3.—Electrical sound amplifying devices which will enable speakers at the Republican convention here next week and at the Democratic convention in San Francisco later in the month to be heard in every part of the hall will be installed by the Bell Telephone interests. It was announced here tonight.

A huge transmitter will be placed above the speaker's platform at each convention and from it wires will run to all parts of the hall, connecting with small receivers which in reality will act as transmitters and will carry the speaker's voice all over the building. All of the mechanical apparatus used will be covered with flags and will appear to be part of the decorations, according to the plans.

A similar device was used by the navy during the war to improve communication between different parts of large ships.

## MYSTERY SURROUNDS KIDNAPPING OF BOY.

Norristown, Pa., June 3.—The mystery surrounding the kidnapping of 13-months old Blakeley Coughlin, who was stolen from his crib early yesterday was still unsolved today. A reward of \$1,500 has been offered by the county commissioners for the arrest and conviction of the kidnapers. George H. Coughlin, the baby's father, is president of a Philadelphia Lithographing concern and is a former Princeton athlete.

## YOUTH SENTENCED.

Chicago, June 3.—Edmund Werner, aged 17, and Frederick Rileick, aged 18, today were sentenced to terms in institutions for boys for the murder of Jules Flosi, aged 12, shot and killed last October 25, during what was said to have been a "gang" fight. The case of six other defendants were postponed to July 12, when sentence is to be pronounced.

# House Votes To Repeal War Laws

WASHINGTON, June 3.—By a vote of 323 to 30 the house today adopted and sent to the senate a resolution repealing all wartime laws except the Lever food control act and the trading with the enemy act.

The supporting the resolution, Democrats protested against continuing in force the Lever act and expressed doubt whether the repeal bill as drafted covered all war legislation particularly the espionage act.

On the roll call, however, only three Democrats opposed the resolution. They were Representatives Sims and Garrett, Tennessee, and Welling, Utah.

Representative Walsh, Republican of Massachusetts, in charge of the resolution said that all war laws, excepting the two specifically mentioned by the resolution and the liberty and victory loan acts would be repealed by the measure. Continuance of the Lever act, he declared was necessary so that the government would have a law to punish profiteering.

Representative Igo, Democrat, of Missouri, charged the Republicans wished to continue the Lever law because it is "favored by certain interests as effective anti-strike legislation."

Representatives Flood, Virginia; Connally, Texas, and Gard, Ohio, all Democrats, also complained of the limited scope of the repeal and asserted that the first move toward the repeal was made by the Democrats.

Mr. Connally also said the Democrats were willing to override a veto but were confident the resolution would be approved as soon as adopted by the senate.

Approximately sixty laws, most of them conferring broad discretionary authority on the president as long as the technical state of war continues would be removed from the statute books by the resolution.

## CON CONS ADJOURN UNTIL AFTER THE G. O. P. CONVENTION

Will Resume Meetings Again June 15—Expect to Finish Work in July

SPRINGFIELD, June 3.—The Illinois Constitutional convention following its session today adjourned until Tuesday, June 15. The long recess was taken on account of the Republican national convention in Chicago next week.

When the convention resumes its sessions leaders expect it will continue work until all articles of the new basic law are ready for reference to the committee on phraseology and style which will make the final draft of the document.

Consideration of the document of the various articles will be completed early in July, it is expected and the convention will then recess until fall in order to allow the phraseology committee time to complete its work. At a meeting in the fall the new constitution will be finally approved by the convention.

Consideration of the twenty-nine sections of the legislative committee's report was completed this morning but a vote on adoption of the article was prevented by a motion for a rehearing on section fourteen dealing with the power of the governor in ordering the use of state troops.

A supplementary minority report from the committee on initiative, referendum and recall was submitted today. It provided amendments to the constitution may be proposed by a petition of ten per cent of the electors if filed with the secretary of state not less than sixty days before the opening of the next session of the general assembly. Proposed amendments would be submitted to a vote of the people and would become effective if approved by a majority of the electors voting on the proposition and by not less than one-third of the total vote cast at the election. The basis for determining the vote would be the number of ballots cast at the preceding election for governor.

## MUNDAY DENIED REHEARING.

Springfield, Ill., June 3.—Charles B. Munday, convicted of a charge of wrecking the LaSalle Street and Savings bank of Chicago, was denied a rehearing of his case by the supreme court today.

## CONDENSED TELEGRAPHIC NEWS

(By The Associated Press)

NEW YORK, June 3.—Dr. Charles Augustus Stoddard, author and clergyman, died at home here today after a short illness, aged 87 years. He was editor and part owner of the New York Observer for many years and was the author of numerous books of travel.

NEW YORK, June 3.—The American Olympic committee has arranged national tryouts for track and field athletes in four cities on Saturday, June 26.

CHICAGO, June 3.—In an effort to prevent the disappearance of additional confiscated liquor stored in a local warehouse, Mayor A. V. Dalmryple, central states prohibition enforcement officer, stated that armed guards had been stationed there. He added that liquor valued at \$600,000 had been stolen from the building.

NEW YORK, June 3.—Mayor William Hale Thompson of Chicago today filed summons here in the county clerk's office, preparatory to bringing suit against the New York Times, incorporated, for libel. The suit is the result of a recent Tribune editorial which the plaintiff asserts reflected on his Americanism during the war.

WASHINGTON, June 3.—After less than an hour's consideration the senate tonight passed without a record vote the bill providing increased pay for postal employees. Similar action was taken by the house earlier in the day and the measure now goes to conference.

PEORIA, Ill., June 3.—The second death as a result of the accident late Wednesday afternoon when a T. P. & W. passenger train crashed into an automobile stalled on a crossing a quarter of a mile east of Mapleton, occurred late tonight when Peter DeYoung of Peoria, Oregon, passed away after regaining consciousness once. DeYoung's daughter, the only other occupant of the car, escaped uninjured.

# PRESENT SESSION OF CONGRESS WILL END SATURDAY

Wilson Declares He Will Not Call Extra Session

## FIGHT MADE FOR ONLY RECESS

WASHINGTON, June 3.—The resolution to end the present session of congress Saturday already approved by the house, was adopted in the senate today after Democratic senators had given assurances that President Wilson had no present intention of calling an extra session during the summer.

Republican and Democratic leaders joined in bringing the resolution to passage, but a score of senators, thirteen of them Republicans and seven of them Democrats, made a vigorous fight to attach an amendment by which congress would re-assemble after the national political conventions. On that final roll call the vote was 44 to 24 Democrats and 20 Republicans voting for the resolution and 9 Democrats and 15 Republicans against it.

Announcement of the president's position, which had been the cause of much disquietude during the framing of adjournment plans was made from the senate floor by Senator Underwood of Alabama, the administration leader. He said he had been authorized by Secretary Tumulty to say that Mr. Wilson would not call congress back in session unless a grave emergency arises.

This was contrary to the expectation of many of the Republican senators and some of the leaders on that side still believed tonight that Senator Underwood's statement left enough leeway for a special session call should the president decide it to be advisable after the conventions. There was no debate on the floor, however, regarding the president's attitude.

Pleading for a recess instead of an adjournment the twenty insurgents declared congress had no moral right to desert its posts for the fascinations of summer resorts or the lure of politics.

Curbing of profiteers, the enactment of relief measures for postal employees, legislation for a merchant marine, repeal of wartime legislation, levy of new taxes and appropriation of funds to carry on river and harbor improvements were among the unfinished tasks for which special pleas were made.

An amendment by Senator Kenyon, Republican, Iowa, providing that congress should reassemble on July 12 was voted down, 47 to 26, and one by Senator Trammell, Florida to re-convene on August 2 was lost by the same count.

The leaders said at least some of the measures made the basis of complaints today would be before Saturday and announced that sessions of the senate would be held tonight and tomorrow night. The only appropriation bill likely to fail, they said, was the river and harbor budget on which the conference's are deadlocked.

## RAIL EXECUTIVES PROMISE COOPERATION

WASHINGTON, June 3.—Full cooperation was promised the interstate commerce commission in relieving the freight jam by Daniel Willard, president of the Association of Railway Executives' Car Service in replying today to the commission's telegram of yesterday declaring that its orders were not being carried out by the carriers.

Mr. Willard telegraphed the commission from New York that he had called the commission's orders designed to relieve the freight congestion, to the attention of all railroad executives. He added that he felt sure that it would be unnecessary for the commission to carry out its threat of invoking the penal provisions of the interstate commerce act.

The orders which the commission asserted were not being complied with related to interchange of freight cars, the routing of freight from customary channels, and the abrogation of contracts between the various railroads and with shippers as to freight routes.

## R-80 NEAR COMPLETION.

Barrow, England, May 29.—Airship R-80, built here for the admiralty, will be launched soon. She embodies the latest improvements in aircraft design and it is stated that she could fly across the Atlantic with ease. The vessel is 535 feet in length and 70 feet wide. Her lifting power is 38 tons. Four engines each 240 horse power, will give a speed of 65 miles an hour. She may be used to carry tourists over the battlefields of France and Flanders.

## WILL COMBINE HOSPITALS.

Chicago, June 3.—Announcement was made today that the Chicago Polytechnic and Henry Memorial hospitals would be combined and a new hospital erected at a cost of \$1,000,000.

# UNION CHIEFS PROTEST AGAINST ADJOURNING SESSIONS OF CONGRESS

Want Definite Action Toward Lowering Cost of Living and Profiteers

CHICAGO, June 3.—Leaders of seventeen unions of railroad employees, with a membership of 2,000,000 men, tonight sent telegrams to President Wilson, Speaker Gillet of the house of representatives and Senator Lodge, protesting against the proposed adjournment of congress and urging that it remain in session until some definite action to curb profiteering and reduce the cost of living has been taken. The telegram declares that not a single remedial measure touching on these subjects has been passed and declares that the circumstances it appears to us incredible that the responsible leaders of the government at Washington can assent to this seeming agreement to continuation of a do-nothing policy, which means the grave economic problem of the people are to be made the playthings of politics and politicians for the next five months.

"We call attention to the fact," reads the telegram, "that despite the revelations as to the profiteering scandal, congress has done nothing to check the evil or to punish the evil doers; that the cost of living continues to advance without a single remedial measure having been passed and that there has not been even serious consideration of constructive legislation dealing with the serious problem of industrial unrest."

Adjournment of congress at this time, "invites political chaos and business disaster," the telegram says in closing.

It was signed by the heads of the seventeen railroad employees' organizations.

At the same time, B. F. Jewett, acting president of the Railway Shopmen's department, declared that unless the railway labor board promptly grants an increase in wages to the employees the entire railroad industry will be disrupted.

"This does not mean that there would be a general strike," he said. "I doubt if there ever will be a great railroad strike again. The men will simply leave the service and seek more lucrative employment if their demands are not met. At the rate they are leaving now it will take only about five months to disrupt the entire industry."

## WOMEN WANT REPRESENTATION

CHICAGO, June 3.—Plans for a demand that the Republican national committee be increased from 48 to 96 members and that a woman vice chairman be appointed were announced today by Miss Mary Garrett Hay of New York, chairman of the Republican women's national executive committee. Miss Hay discussed her plans with many women Republicans following the failure of the subcommittee of the national committee to reach any definite conclusions at its meeting today to take up the question of women's representation. Miss Hay's plan will be presented before a caucus of women Sunday and if approved will be placed before the sub-committee Monday.

"The personnel of the committee should be increased from 48 to 96," said Miss Hay, "because the electorate has been doubled. I do not mean there should be a man and a woman for every state. It is up to the states to elect anyone they wish. Also, there should be a woman vice chairman and an assistant secretary and either the secretary or the assistant should be a woman."

## SEEK RINGLEADERS OF RECENT RIOTS

CHICAGO, June 3.—Investigation to discover the identity of ringleaders among service men on leave who were said to have attacked a hotel at Waukegan, occupied by negroes, was begun today at the Great Lakes naval training station. In addition it was announced by Rear Admiral F. B. Basset, commandant, that the men at the station may be forbidden to visit Waukegan hereafter.

Two marines were wounded by bullets from riot guns when 150 men said to have been from Great Lakes stormed the hotel. Two of the service men were seized by the police but were not released. Neither of the wounded men was reported in a serious condition.

## MORE HOSPITALS FOR WAR VETERANS.

Washington, June 3.—Construction of five hospitals, costing \$10,000,000 for use by veterans of the world war is authorized in a bill reported unanimously today by the house building committee.

One of them is to be in the region of the central Atlantic coast states, one at Great Lakes, one in the north Pacific coast states; one in the Rocky Mountain states, and one in Southern California.

## BANDITS ATTACK CITY.

El Paso, Texas, June 3.—Paral, Chihuahua, a city of about 15,000 population was attacked by the bandit forces of Francisco Villa, yesterday according to unofficial advices received here today. Paral is the center of a large mining district in which numerous large American and other foreign owned companies are operating.

# INVESTIGATION OF CANDIDATES ENTERS INTO A NEW PHASE

Propose to Carry Inquiry Beyond November Elections

WASHINGTON, June 3.—(By The Associated Press.)—Senate committee investigation of pre-convention presidential campaign activities had approached a new phase if not a virtual conclusion tonight, future developments being in doubt pending action in the senate on Senator Pomerene's proposal to change radically the scope and purpose of the inquiry and carry it beyond the November election.

Action on the resolution which would bring congressional as well as presidential campaigns within the committee's jurisdiction was delayed at the request of Senator Lodge of Massachusetts, Republican leader.

It will come up tomorrow and the committee pending any alteration of its charter powers, began winding up the hearing of witnesses already summoned.

The day's sessions were interrupted by senate votes on adjournment. Three witnesses were heard, however, two of them throwing more light on the financing of Major General Leonard Wood's campaign while the third brought additional information as to activities for Senator Harding and Governor Lowden in Missouri.

From C. H. Duell, of New York, formerly connected with the Wood financial arrangements the committee got the statement that General Wood was present at a discussion at the home of Ambrose E. Monell, in New York, last fall where ways and means of financing his campaign were talked over.

A formal meeting attended by Duell, Monell and Robert Cassatt of Philadelphia had continued, the witness said, and at this meeting Monell proposed that a certain number of men be asked to "underwrite" the Wood campaign expenses to the extent of \$500,000.

Cassatt finally declined to enter into the arrangement. Duell said, and his recollection was management of the Wood campaign, after the meeting. The discussion of the financial side of the campaign had continued, he added, but he could not recall anything that General Wood might have said in that connection.

Questions by Senator Reed, drew from the witness a statement that in view of the nature of the conversation, General Wood could not have failed to know its purport and the amounts being discussed as necessary to raise.

W. L. Cole, Republican state chairman in Missouri, and a delegate at large from that state, appearing at his own request, presented a brief explanation of present testimony which showed that he had received funds from both the Harding and Lowden interests for work in Missouri. He denied that he had known of the check for \$500 given him by E. L. Morse, manager of the Lowden campaign outside of St. Louis was from the Lowden funds, and that it was given him with an understanding it was to be used in the Illinois governors' behalf. He had received the money as a personal contribution from Morse, he said, to aid in the Republican fight to fill a vacancy in the third Missouri congressional district, which Morris had insisted that Cole conduct.

As to \$1,250 which the witness said he had received from Harry M. Daugherty, manager for Senator Harding, Cole declared that it was given him to use in trying to make the senator's second choice after he had told Daugherty that he believed Missouri was "screwed up" for Lowden.

The other witness as to Wood financing was W. B. Burr of Chicago who described himself as "assistant and confidential man" for Monell, identified as connected with the International Nickel company. Burr brought with him contribution receipts of \$13,000 from individuals and also, requests for funds covering disbursements. His testimony he insisted could add nothing to matter already furnished but he left (Continued on Page Four.)

**THE BIBLE AS A BUSINESS GUIDE.**  
A speaker before the inter-church convention declared that the Bible is the best known business methods. Examples were cited to show the business methods not recognized as such in their day but used effectively by the disciples.  
The address was not at all in sacrilegious vein but impressed in a new way that the Bible is the book of life and within it men can find the best there is for every time and condition.

**IN POLITICS.**  
"There are only two things that amount to much in politics," said a well known Jacksonville politician the other day, "friendship and fear, and the instances of undying friendship are not numerous."  
What he meant was that the average political leader who succeeds does so because he inspires the respect of those who oppose him with a fear that makes them concede to his political demands. It's not altogether a pleasant saying, but a study of politics reveals that there is much of truth in it.

**LOOK AT ALL THE FACTS.**  
It is noticeable that the managers of the presidential campaigns are all very willing to let the Lowden expenditures in Missouri maintain a lime light position. The facts are a reasonable sum for publicity was paid to certain party leaders last January. Some of these leaders appropriated the money to their own account. This fact reflects on them but certainly not upon Gov. Lowden or L. L. Emmerson, his campaign manager.  
The action of the Missourians cannot be defended but the question of campaign expenditures should be considered with all the facts taken into account.

**ONE PROFITEER IS FINED.**  
A Syracuse firm has been fined \$55,000 for profiteering. Instances were proven wherein this firm sold women's apparel at a profit of from 100 to 200 per cent. A few such fines imposed by the government will go a long way toward putting an end to such unfair dealings.  
But the trouble is that in numerous instances where the government has made cases and secured court fines against offenders, that later on the fines have been remitted. So far the fight against profiteering cannot be said to have been prosecuted with zeal and success.

**MAY DELAY PROHIBITION FINDING.**  
The supreme court, it is hinted, may delay decision in the prohibition amendment until next December—that is, until after the presidential campaigns. The court has thru the years earnestly endeavored to keep its influence aloof from politics, to keep the court free from charge of the endeavor to forward the interests of any party or any man. It will therefore not be surprising if the prediction of delay materializes.  
Such delays could do no harm and a finding now might in some way be construed to have political significance.

**DIED IN THE WOOL.**  
The hold that politics takes on men who make it a life business is illustrated in the case of Senator Penrose of Pennsylvania. The senator has been ill for months, seriously much of the time, and there has been doubt as to his ability to attend the convention next week.  
But the Pennsylvania boss has been for years in the business of helping make presidents. He has said that he will be in Chicago

if the trip kills him. He will arrive at the coliseum with the big state's delegation entirely under his control and must be consulted by the candidate who wins.

**Comforting Thoughts.**  
The wind is tempered to the sheep whose coat of wool is shorn; and there's a balm for those who weep, for those who sigh and mourn. I've never seen so dark a day, so full of grief and care, I couldn't find a little ray of comfort anywhere. Thus, when my aunt came here to spend six months or more with us, I thought my joy must have an end: like Job, I stooped to cuss. Then I recalled the solemn fact that seven aunts are mine; if they all to my wigmaker tracked, I well might shed the brine. But only one of them had come to linger in my lair, and it were folly to be glum and say that life's a snare. Whatever evil comes along, your passing days to curse, whatever ill, whatever wrong, be sure it might be worse. And if you bear that truth in mind, and paste it in your file, 'twill ease the sad and painful grind, and help you sing and smile.

Ashland, Ill., June 3.—Mr. and Mrs. J. L. Snyder and two children spent several days this week in Pawnee visiting Mrs. Snyder's parents, Mr. and Mrs. Clyde Pergren.  
Mr. and Mrs. Duncan Taylor and daughters, Blanche and Alice, spent Sunday at the home of Miles Kendall.  
Elmore Gailey, who has been attending the Liberal Arts school in New York, is at home to spend his summer vacation.  
Mrs. Ed. Hord and daughter, Elsie, of Taylorville, spent Sunday at Mr. and Mrs. George Bailey's.  
Mr. and Mrs. Fred Hextee and son, Junior, were in Jacksonville Tuesday, where the latter was operated on for the removal of his tonsils.  
Miss Edna Pergren of Pawnee came home with her sister, Mrs. J. L. Snyder, yesterday and will make an extended visit.  
Mrs. J. T. Shelton is visiting in Woodson this week with her mother and other relatives and friends.  
Mrs. Ralph Hudspeth was taken to the Ashland hospital yesterday, where she underwent an operation.  
Announcements have been received of the arrival of a daughter, Mary Low, at the home of Mr. and Mrs. W. E. Stiltz, formerly of Jacksonville, now of Philadelphia, Penn.

**Obituary**  
Sarah Jane French, daughter of James and Rachel French, was born near Griggsville, Ill., March 11, 1845, and departed this life at the home of her daughter, Mrs. S. T. Watt, of Ashland, Ill., on Friday morning, May 28, 1920, at 9:30 o'clock, at the age of 75 years, 2 months and 17 days.  
In childhood days she moved with her parents to Scott county and later to Morgan county. She was married to Reuben Angelo of near Jacksonville, October, 1862, where they lived happily for forty-five years, he having preceded her in death almost thirteen years. To this union was born one daughter, Mrs. S. T. Watt, who, together with two granddaughters, Misses Leta and Ruby Watt, survives her. She is also survived by one sister, Mrs. Lucy Williams, of Omaha, Neb., four brothers and two sisters having preceded her in death.  
Deceased became a member of the Christian church in her early girlhood days and always lived a faithful member.  
She has been in failing health for the past six years, but for the last three weeks has been a great sufferer, and death came as a relief at the hour stated above.  
Mrs. Angelo was a kind and loving mother and always had a cheerful disposition, and will be greatly missed by a large number of relatives and friends.  
The funeral services were held at the residence in Ashland Sunday afternoon at 1 o'clock, Rev. E. Charles Beach, pastor of the Christian church, officiating.  
Music was furnished by a quartet, namely, Misses Jessie Parsons, Grace Bailey, Pearl Shelton and J. T. Shelton, with Miss Glenna Bailey as accompanist. The flowers were cared for by the two granddaughters, Leta and Ruby Watt, and Miss Lula Brumbaek.  
Henry Henn, Geo. Cowan, Harry Camp, Will Ray, John Hubbs and Chas. Bailey of Ashland acted as pallbearers at the residence; Oliver Angelo, Walter Angelo, Reuben Ragen, Roscoe Stainforth, Chas. Hamel and John Welsh of near Jacksonville, relatives and neighbors of the deceased, acted as pallbearers at the cemetery. Interment was in the Diamond Grove cemetery.

**WILL SET ASIDE BY JURY ACTION THURSDAY**  
Finding Made—Document Signed by Mrs. Josephine N. Smith Was Not Her Last Will.  
In the suit of Luranah A. Harris et al. vs. Marguerite Munger et al., bill brought to set aside will of Mrs. Josephine Newman Smith, the jury yesterday brought in a verdict in favor of the complainants. It was the opinion of the jurors that the document, which had been filed in the probate court as the will of Mrs. Smith could not properly be accounted as her last will and testament.  
The bill was filed in the November term of court by Mrs. Harris, who is a sister of Mrs. Smith, the other complainants being the nieces of the deceased. The instrument in question was drawn August 13, 1918, and provides after certain bequests and annuities that the income from the remainder of the estate should be paid to Marguerite Munger, Luranah Harris, Dorthea Harris and Ruth Harris Bohan, during their lifetime, and at their death the remainder should become the property of Marguerite Munger, W. P. Munger and Dorothy Munger. Nothing was willed to Mrs. Luranah Harris, who was the only heir-at-law.  
The special bequests mentioned included annuity of \$100 a month for ten years to Trinity church; St. Luke's hospital of Chicago an annuity of \$600 for ten years; to Katie Parker an annuity of \$500 for life; to J. J. Neiger \$1,000, and to L. A. Ancier \$100.  
It was claimed in the bill seeking to set aside the will that Mrs. Smith was not of sound mind and memory and that at the time she made the alleged will that she was not capable of doing so.  
In an amended bill filed later the complainants charged that Mrs. Smith had been unduly influenced by Mr. Neiger, her attorney, who was named as executor of the will.  
The hearing of the case yesterday was finished in a few hours' time. The following were members of the jury: W. T. Reaugh, G. T. Wetzel, John Hodges, Charles Fanning, E. J. Christopher, P. S. Hodges, J. L. McDonald, C. O. Leake, C. L. Reid, J. W. Baptist, Joshua Vasconcellos and C. J. Roberts.  
The day previous in the probate court J. J. Neiger resigned as executor of the estate, and it is understood that this action had some relationship to the case. It is understood further that while the will has been set aside, that certain of the bequests are to be paid. In the proceedings the complainants are represented by Bellati, Bellati & Moriarty, and the defendants by Worthington, Reeve & Green.

Boudoir talks with Sybel on the merits of cocoa butter for facial massage

After a glimpse of Sybel's pink and white complexion you can just imagine how I drank in every word of the lesson she gave me in facial massage.

"We're really as dirty as little street urchins, honey, only we take the outer layer off. Dust and dirt seek the pores of the skin and stuff them up so they can't breathe. We ought to thoroughly purify the face at least twice a week to retain our natural bloom."

"I can just see mother's French maid, Nanette, using cocoa butter, a wonderful skin food, to keep mother's face soft and youthful. I use only Cocoa-Bloom—a cocoa butter cream that contains the purest of beneficial ingredients."

"Dab it on and rub it in thoroughly. Begin at the chin and rub carefully using a rotary motion. Rub around the eyes—that keeps them from looking tired. Close the frown wrinkles away by rubbing towards the temples. Since your facial muscles are loosed to sag after you've passed girlhood days—up the chin and cheeks to strengthen them."

"Then wipe the Cocoa-Bloom off with a coarse towel and always apply hot towels to clean the pores followed by cold ones to close them—with a dash of witch hazel as an astringent."

"Cocoa-Bloom applied each night to cleanse the face with a wee bit of massage keeps the skin clear and just like velvet."

"Remember, Cocoa-Bloom is cocoa butter cream, and it supplies exactly what is needed to make your skin healthy."

## VISITORS FROM FLORIDA

Mr. and Mrs. Frank Doan have arrived in the city from Miami, Florida, for an extended visit with their son, Parker Doan and family and brother, Howard Doan and wife. Mr. Doan is as enthusiastic as ever regarding his far southern home and says it has

lots of attractions for winter visitors.

Mrs. I. C. Coleman and grand-daughter, Miss Mattie Coleman, who has been a teacher in the city schools, expected to go to Palmyra, Miss Coleman's home, today.

(Continued from Page One.)

telegraphed his headquarters here that he was detained in Washington by senate business. The message said that he hoped to arrive Saturday or Sunday at the latest.

Senator Hiram Johnson, who arrived today said he had not yet decided whether he would conduct a fight on the league of nations covenant from the convention floor. If the fight becomes acute, he said, or there is a tendency to dodge the issue, he may take the floor. The senator said he had not decided on any particular declaration and added:

"I want a declaration in the platform that requires neither explanation nor reservation. I want the league question settled as the majority decides it should be settled. I shall insist that the convention take a manly, courageous stand."

## JURY BROUGHT IN VERDICT FOR DAMAGES

The jury which heard the evidence in the case of Alice Hansen by next friend vs. W. B. Rexroat, administrator, returned a verdict about 9 o'clock Thursday night, finding in favor of the complainant and fixing the amount of damages at \$1,000. The argument was concluded Thursday noon. When the court convened in the afternoon Judge Butron delivered instructions and the case was given to the jury about 2 o'clock. This is a suit as the result of a happening nearly five years ago, when an automobile driven by the late Mrs. W. B. Rexroat, struck the child, Alice Hansen, while she was crossing West Lafayette avenue.

In the law case of William Zahn et al. vs. Richard E. Fox, an order of dismissal at the costs of plaintiff was noted.

In the chancery suit of Joseph W. Wilson against William Crages, to quiet title, the master's report of evidence and conclusions was filed, and decree was entered and approved.

some of the accounts with the committee for studying.

Two other prospective witnesses whose testimony still is to be taken were heard from today. A Montreal message from Horace S. Stebbins, eastern treasurer of the Lincoln-Wood League, and vainly sought by subpoena served for some days he would appear tomorrow while Warren Gregory, connected with the Hoover campaign in California telegraphed that he also was on his way. Stebbins said he had just learned that he was wanted as a witness.

The committee planned to call no other witness but to hear those already summoned who had not yet appeared. Included among these was a Mr. Greenbaum, asked to bring books connected with the financing of Senator Johnson's campaign in California, but it was not known tonight whether he also planned to appear tomorrow when adjournment or at least a recess of the hearings over the convention period probably will be taken.

**FIVE COURSE DINNER**

## HAS FINE SCHOOL RECORD.

Among the members of the class which graduated from the Routt college academy Tuesday was Miss Edna Ryan, daughter of Mr. and Mrs. O. E. Ryan of Alexandria. Miss Ryan has ranked first in the class of girls each term during the four years, and is justly proud of her record.

Miss Rose Zellar, an aunt of Miss Ryan and also an Alexandrian resident, has won a state diploma at Normal and has had the offer of a position near Oak Park at an annual salary of \$1500.

## A FINE PLACE TO EAT.

Mr. and Mrs. J. H. DeSilva have bought the lunch room on South Sandy street just north of the public library. Now if any one wants real, clean, wholesome home cooking go there and be satisfied. All good things, pies, doughnuts, sandwiches and good things generally will be served at fair prices. They expect to open for business Saturday, tomorrow.

## AUTOMOBILE TRAVELERS.

## ROUTT COLLEGE CLOSES WORK OF THE YEAR

**Commencement Exercises Took Place Thursday Night—Degrees Conferred On Thomas M. Walsh and Joseph D. Becker—Address Made by Father Burns.**

The fifteenth annual commencement exercises of Routt College took place Thursday night. The auditorium was filled with interested friends of the graduates of the college. Rev. Father Formaz presided and at the conclusion of the program conferred the degrees upon the two graduates, Joseph Duffner Becker and Thomas Michael Walsh.

The program included three selections by the Glee club and a commencement address by the Very Rev. Andrew J. Burns of Sterling, Ill. The hall was handsomely decorated with flowers and potted plants and the college colors were conspicuous. Members of the faculty and trustees of the college occupied places on the platform.

After the Glee club had sung in an excellent way "The Gypsy Trail," the first address was made by Thomas M. Walsh, who discussed "The Immigration Problem." He considered this important subject in a very thorough way and said in conclusion:

"Now the evils of the immigration system of the United States are apparent. This unrestricted immigration of foreigners, while it has revolutionized industry in America, also it has undermined the morality of our people. The immigrants of today are not as of the days of the immigration of the honest, conscientious, and hard working Swiss, Germans and Celts are over, and our country is being flooded with people of the Slavonic type who are unskilled, lacking in self respect and intelligence and fit only for 'contract labor' of the hardest kind."

"But what are we to do? We need the labor. Many of our factories are now shut down from labor shortage. America is now since the war, over four million laborers short, as a result of the dwindling immigration. It is a grave situation."

"There are two highly important aspects of the question, one is selective immigration and another is immigrant assimilation. If we admit immigrants we must absolutely accept only those who are potentially good citizens, and having accepted them we must provide the means that will make them good citizens. Again, all immigration should be suspended until the aliens now here are Americanized; all anarchists and undesirable should be deported and all immigrants, if desirable should be asked to sign a pledge to become in the future American citizens or not be allowed to enter."

After the Glee club had sung Tolst's Serenade "The Industrial Problem," was presented by Joseph Duffner Becker. It was a careful logical discussion of the problem, pressing for solution and the speaker sought to present something about the causes of unrest and the possible remedy. Only a few sentences can be produced here.

## Industrial Unrest.

"We face times when production is reduced and consumption is increased and it is our duty to study the question and to see where the blame lies. There is a natural impulse to say that this condition is the fault of labor, but that is only partly true. Years ago, not great industrial concerns of this country were started, labor was at the mercy of capital. Some of the moneyed men took advantage of the situation and exploited labor. For a long time law did not interfere on the theory that class legislation would result. But afterward a change was made and much forward legislation resulted for the benefit of the workman."

"Then the war came on and reduced production, and labor has taken advantage of the situation and has sought to make up for injustices done in the past. The situation has developed radicalism and the extremist. We find that in the tide of feeling that there is danger that civilization and religion and property rights will be swept away. The first remedy is to instill good will and fairness into the hearts of men. There are fine examples of this in the industrial world—great factories where there have never been labor troubles because of the willingness of employers to give full rights to employees."

"It is such a spirit that has brought industrial democracy to the management of some big business enterprises. The whole big problem of industry, of fair relationships between employees and employers merits our best thought and attention. Certainly it is better to handle this problem with fairness and justice than to be swept away by the tide of bolshevism."

**Democracy Defined.**  
The Glee club sang again, giving two selections, "The Shepherdess," by Gorard and "Sweet Miss Mary," by Neidlinger. Then Very Rev. Andrew J. Burns was introduced. The speaker said he was at a loss to know why a country pastor was invited to speak on such an occasion but that he was greatly pleased to be present. The speaker in a very forceful and eloquent way discussed present day problems and declared that relief and adjustment of differences can only come thru the hearts of men—thru their right attitude to life. He said in part:

"Democracy means life and liberty, governed by law, for liberty has its divine limitations. There is only one democracy and that is the democracy of truth. The Catholic church is founded upon truth and so in itself is an outstanding democracy. It teaches that God is not a respecter of persons and it is not what a man has but what he is in his heart that finally counts."

"We all know the present spirit of restlessness that pervades. We used to think that mental education would prevent

all such conditions. Now as we see a generation of atheists we know that godless education is a danger. In the war time we referred to its cause as German philosophy and that was nothing more or less than a godless education. Then came the war which was advanced by some people as a remedy for ills. But did the war solve our social or political unrest?

## The Hearts of Men.

"The hearts and souls of men must be cured before an end comes to the evil days of unrest. Christ Himself is the only one thru whom the cure can come. The world must rest upon the cornerstone of Christ, for what the universe today needs to allay its ills is the gospel of Christ. The world must get this message thru men and it is thru men that all peoples must be told that these principles of righteousness of fairness truth and justice must rule the age. This cannot be done by the priesthood only, cannot be done within the cloister. It must be the laymen who carry the message. So there is boundless opportunity for you young men who are graduating today to achieve that which is worth while in the world to help apply this remedy. So I urge you as graduates to enter into life work not to gain a living from the age but a living for the present age."

## Degrees conferred.

At the conclusion of the address Father Formaz conferred the degree of bachelor of arts upon each of the two graduates. Father Formaz spoke very briefly referring to the needs of the college, to the loyalty of the faculty and to the fact that high living costs have made it difficult for individuals and said that Routt college is entitled to the continuous and generous support of its friends and said further that he had faith that this increasingly generous support will be given.

## LOCAL INSURANCE MAN

## TO VISIT SAN FRANCISCO

Harrison King is one of the four agents in the Springfield district who qualified for membership in the Quarter Million Dollar club of the Mutual Life company of New York. As a result of this good record Mr. King is entitled to attend the annual meeting of the club in San Francisco and yesterday joined the party of insurance men in Chicago. They will make the trip in a special train and stops will be made at various places of interest.

## WILL NOT BECOME MEREDOSIA POSTMASTER.

C. H. James has been notified of his appointment as postmaster at Meredosia, to take the place made vacant by the resignation of W. G. Looman. However, Mr. James, who is interested with his son here in the automobile business, will not accept the position. He held it several years ago and made an excellent record.

## ANNUAL LITERBERRY CHICKEN SUPPER

Ladies' Aid of Christian Church Serves Large Number at Annual Chicken Supper Thursday Night.

The first Thursday in June has for more than a quarter of a century been the day on which the members of the Literberry Christian church Ladies' Aid society serve their annual chicken supper. The event this year was fully up to the standard of previous years in every respect and the treasury of the society has been enriched by a considerable sum. More than 450 persons were served and approximately \$310 was taken in. The tables were spread in the basement of the church and were decorated in a way which brought forth words of commendation from all. The sale of tickets was in charge of James Petefish and J. W. Martin. Mrs. Howard Litter and Mrs. Charles Ogle were in charge of one table, while Mrs. Luther Cooper, Mrs. John Hitchens, Mrs. Albert Crum and Mrs. W. Martin each presided over one table. They were assisted by a corps of capable waitresses. Those who had charge of the preparation of the various articles of food are indicated herewith:

Chicken—Mrs. Roach.  
Potatoes—Mrs. Charles Gaines, Mrs. Edward Ator and Mrs. Robert Loving.

Dressing—Mrs. A. W. Petefish  
Mrs. Abe Litter.

## INTEREST CONTINUES IN COUNTY INSTITUTE

The interest in the Morgan county teachers institute has continued thru the week in unabated way. As previously noted, the attendance this year was very large and the sessions have proven most valuable. Yesterday morning Prof. Tapy discussed "The Gospel of Relaxation" and in the afternoon "The Gospel of Work." Prof. Cox at the morning session had for his theme "The Problem of the Ideal" and in the afternoon "Reading With Understanding" was his subject.

At the morning session Mrs. A. R. Gregory delighted the assembly with a group of songs. Willard Wesner was the accompanist. A variation was also given at afternoon program by an excellent reading by Miss Janet Powell.

## ALUMNI REUNION AT STATE SCHOOL FOR DEAF

Plans Completed for Annual Reunion of Alumni Association at School for Deaf, June 11-14—Interesting Program Announced.

The committee on arrangements for the triennial reunion of the alumni of the Illinois School for the Deaf, to be held in this city, has announced that the plans are now practically perfected. The reunion will cover a period of four days, from June 11 to June 14, inclusive. It is expected that a large number of alumni members will visit the city at that time and all of them will be taken care of at the school. The committee on arrangements includes F. W. Scheneman, E. O. Towne, Harry

and Fred Mather, Mrs. Felix Lupien, Miss Esther Kearney and Mrs. H. A. Molohon. The fact that this year's reunion is the first in five years, adds much to the interest of the event. During the war period it was not deemed wise to hold the annual gatherings. In accord with previous custom, prizes will be awarded, one for the oldest person present; another to the one coming the greatest distance, and the third to the person coming the most miles by automobile. The annual banquet, which will be held Saturday night will be one of the main events of the meeting. At this time Dr. J. H. Cloud of St. Louis, prominent as an educator of the deaf, will serve as toastmaster. The officers of the association are:

President—Thomas Hainline, Elkhart, Ind.  
Vice-president—August Rodenberg, East St. Louis.  
Vive-president—Mrs. Edna Carlson, Chicago.  
Secretary—Mrs. F. K. Fawcner, Cairo.  
Treasurer—H. A. Molohon, Jacksonville.

The program, just made public, is as follows:

**REV. R. O. POST AGAIN TO RESIDE IN CITY**

Former Pastor of Congregational Church Buys Property of W. O. Beall on Grove Street—Will Take Up Residence Here in Fall.

A deed was placed on record yesterday showing that Rev. R. O. Post has purchased from W. O. Beall residence property at 1048 Grove street. The residence was erected a number of years ago by Mr. Beall, who was at that time a member of the faculty of Illinois college and who is now at the University of Minnesota. It will be a great pleasure to the many friends of Dr. and Mrs. Post to know that they are again to become residents of Jacksonville. They are expected here late in the fall and are to make this city their permanent place of residence.

Dr. Post, as minister and citizen, held a very influential place in Jacksonville during the days of his residence here, and in coming days will be a valued citizen just as he was in the earlier years.

**A NEW PASTOR AT WOODSON.**

The Woodson Christian church recently had a visit from Rev. J. H. Fuller of Dexter and gave him a unanimous call to be their pastor. The gentleman made a very favorable impression on the good people he met and the feeling was reciprocated. He has property interests in his present place of residence and as soon as these can be disposed of he expects to assume the duties of his new charge. The worthy people of the Woodson Christian church have great hopes and expectations in their coming shepherd.

## G. O. P. Convention Snap-Shots

The Story of 16 Nominations

By A. H. Vandenberg

### SIXTEENTH CONVENTION

The sixteenth—and last—Republican National Convention again went to Chicago on June 7, 1916. Although it was utterly calm as compared to the record of four years previous, it was equally unique.

Roosevelt was still the paramount issue. The Progressive Party assembled in convention at the same time and in the same city. The primary purpose of the Moosers was to nominate the Colonel on the Republican ticket; if that failed, to re-nominate him on a Progressive ticket.

For weeks, however, that dominant Presidential probability on the Republican side was Charles E. Hughes, then an Associate Justice of the Supreme Court. Nobody had been able to find out for Hughes whether he would accept a nomination, but the Convention proceeded on the theory that he would, and ultimately found its premise justified.

Senator Warren G. Harding of Ohio was both temporary and permanent chairman of the Convention. Preceding the actual task of selecting nominees, "truce committees" representing both the Republican and Progressive conventions, were in almost constant session seeking to agree upon a platform and a ticket. These efforts came to naught.

The Republican Convention proceeded to its first roll call on Friday, June 9—with the longest list of candidates ever scored up with actual roll call votes. These included Hughes, Root, Senator Burton of Ohio, Senator Weeks of Massachusetts, Du Pont

with twelve members and twelve guests present. A musical program was given of victrola selections, violin and vocal numbers by Miss Isabelle Fox. Delicious refreshments were served by the hostess. The next meeting will be held with Mrs. Calloway.

**DEATH OF G. E. LESLIE OCCURS IN MISSOURI**

Prominent Citizen of Memphis, Mo., Passed Away Recently. Was Student at Illinois College a Number of Years Ago.

The Memphis (Mo.) Reveille tells of the recent death of G. E. Leslie, a prominent citizen there. Mr. Leslie is known to a number of Jacksonville people, as he was a student at Illinois College a number of years ago. He was a member of the class of 1883. Others in this class, now resident here are, Dr. Carl E. Black and W. H. Slater.

Mr. Leslie was born Jan. 21, 1861, at Keokuk, Ia., and went with his father to Memphis where he was a lad 15 years of age. After completing his college work here in Jacksonville he returned to Memphis and was associated with his father in the Citizens' bank. During the latter years of his father's life he was elected president of the bank and continued in its management until the time of his death. Under his guidance it became the leading banking institution of Scotland county.

Mr. Leslie was prominent for years in Republican politics of his county. He was a member of the Presbyterian church and a man of such character that his death means a definite loss to his home community.

**STATE ENCAMPMENT AT JOLIET.**

The state encampment of the Grand Army of the Republic will be held this year at Joliet June 16-18. All members of the G. A. R. and dependent members of their families may secure railroad transportation at fare and a third which is about four cents a mile round trip. Adjutant J. H. Rayhill has secured the permits and must get a permit in order to secure the reduced rate. Permits may be had of Prof. Rayhill or S. O. Barr.

**MR. TOMLINSON EXPECTED TODAY.**

T. M. Tomlinson, who has been attending the sessions of the Presbyterian general assembly at Philadelphia, is expected home today and he doubtless will have many interesting things to tell of that great gathering of wise and good men and women.

## HOOOSIER SAVES MILES OF STEPS

## Two Million Women Have Voted for the HOOOSIER

Two million American women have recognized Hoosier superiority and have installed this woman emancipator in their homes. These same two million women have helped to make the Hoosier a better kitchen cabinet. For twenty-one years they have given us the benefit of their experience with it. Literally thousands of suggested improvements have been offered by Hoosier users. All of them have been tried out in actual use. It is safe to say that every suggestion that has ever been made concerning kitchen cabinet construction has been actually tried by us. The best are now embodied in the Hoosier. The rest—no matter how alluring they may have seemed on paper—failed under the test of actual use. There is no place in the Hoosier for anything that does not actually lessen the time a woman must spend in her kitchen—and lighten her work while there. Visit our store—sit in front of a Hoosier Cabinet—and let us explain its many advantages to you.

### AN INTERESTING COOKING DEMONSTRATION.

The cooking demonstration announced to be held at the offices of the Jacksonville Railway & Light company for two days was largely attended Thursday by the ladies of Jacksonville. Much delight was expressed by those present at the condition of the various articles cooked when they were taken from the oven at 3:30 after they had been in the oven for four hours unwatched and untouched. Those present partook of the dinner and pronounced it excellent. The menu consisted of roast pork, rice pudding, stewed prunes, boiled potatoes, baked potatoes, boiled onions. It was purposely varied because it is generally understood these articles require varying lengths of time to cook.

The demonstration, under the supervision of Mr. Buckley, representative of the Clark gas range and "Lorain" oven heat regulator, will be continued today. The dinner will be placed in the oven at 11:30 and the oven will be sealed by a committee of ladies. It will be opened by the same committee at 3:30 in the afternoon. It is expected that even a greater number will be present today.

### FIVE COURSE DINNER.

Will be cooked again today at the offices of the Jacksonville Railway & Light Co., North Side Square. If you forgot it yesterday, don't today. Dinner will be placed in oven at 11:30 and taken out at 3:30. Oven will be sealed by committee of ladies.

Miss Grace Hill helped represent Franklin in the city yesterday.

### EDWIN CLEMONS WEDS MISS GLADYS OSBORNE

Beautiful Ceremony Said at Home of Bride's Parents—Groom Associated With State Highway Department—Will Reside in Springfield.

Murrayville, June 3.—Edwin R. Clemons of Springfield and Miss Gladys Osborne were united in marriage at the home of the bride's parents, Mr. and Mrs. Harvey Osborne, at 6:30 o'clock this evening.

The ceremony was witnessed by a company of one hundred relatives and friends. The beautiful ring service was used and the officiating minister was the Rev. W. H. McGhee of Chestnut, and a former pastor of Murrayville M. E. church, of which the bride is a member.

The vows were said on the porch of the Osborne home, the wedding party standing under a large rainbow and rainbow colors predominated throughout in the decorations. The guests assembled on the lawn. It was a most impressive ceremony and the scene was a most charming one.

Before the ceremony Miss Faye Ketter sang, "I Love You Truly." The wedding march was played by Miss Dorothy Blakeman. Miss Clara Millard was bridesmaid and Leslie Clemons was groomsman. Sarah Millard and Helen Wesner were flower girls and the ring bearer was Geneva Millard.

Following the ceremony an elegant three course dinner was served. The Ladies' orchestra, of which the bride has been a valued member, furnished music during the evening.

The bride is the daughter of Mr. and Mrs. Harvey Osborne and is one of Murrayville's most popular young women. She is an accomplished musician and also gifted in other lines of endeavor.

She graduated from the Murrayville high school and then became a student of Illinois Woman's college in Jacksonville, where she studied music, art and home economics. She then became a teacher in the Murrayville schools. She is a member of the Murrayville M. E. church and has been an earnest worker in its activities. By her many fine qualities of heart and mind she has endeared herself to a large circle of friends.

The groom is the son of Lincoln Clemons of Milton. He graduated from the Milton high school and then attended Whipple academy in Jacksonville and later Illinois college. After two years at college he became an instructor in the Murrayville high school.

In 1915 he re-entered college and was in school when war was declared in 1917. He entered service and was stationed at Camp Taylor as a member of the third regiment band. Later he was transferred to Sheffield, Ala., and remained there until he received his honorable discharge.

Mr. Clemons then took up his unfinished work at Illinois college and graduated with the class of 1919. After graduation he became associated with the state highway department. At the present time he is acting engineer of the department with headquarters at Springfield. Mr. Clemons is a young man of much promise and his friends look for him to gain a high place in his profession.

Mr. and Mrs. Clemons will make their home in Springfield. They enter life under most auspicious circumstances and will have the good wishes of their many friends for success and happiness.

One of the guests at the wedding this evening was also present at the wedding of the bride's parents. She also was present when the bride was born.

Dr. R. R. Jones was up to the city from Woodson yesterday. Foster Sheppard was a traveler from Lynnville to the city yesterday.

### Social Events

## AGED RESIDENT OF ARENZVILLE DIES

John Stocker Answers Final Summons and is Interred in Ohio—Nobes Funeral Held Friday—Other Arenzville News.

Arenzville, June 1.—The death of John Stocker occurred here on Wednesday, May 25, after a lingering illness. The deceased was eighty-one years of age at the time of his death. He was born in Switzerland and came to this country when quite young, settling in Alliance, Ohio. Deceased was married to Miss Margaret Kruch in Ohio, and Mrs. Stocker died a few years later. The deceased

was again married, this time to Mrs. Kate McClain on Sept. 30, 1900. Mr. Stocker was the father of the following children: Jacob Stocker, Frederick, Ill.; Lewis Stocker, Youngstown, Ohio; Bart Stocker, Alliance, Ohio; Albert Stocker, Struthers, Ohio; Mrs. Lizzie Harry, Alliance, Ohio; Mrs. Caroline Sanders, New Waterford, Penn.; Mrs. Nettie Wicklin, Stoneboro, Penn.

The remains were taken to Alliance, Ohio for interment, and funeral services were held Thursday from the M. E. church in Arenzville, in charge of Rev. T. Symons. The deceased was a member of the M. E. church and attended services there as long as his health would permit. He was ever an upright and honorable man and was held in great respect by all his acquaintances.

The pall bearers at the Arenzville service were Alex Candoff, William Bourne, Frank Kircher, Henry Rausch, John Scherer, and John Hofstetter.

## This is Leonard Week--

Take this opportunity to learn all about refrigerators. Make it a point to come to our store—see our special display and let us tell you all the advantages of the famous Leonard Cleanable.

FOR the benefit of our customers, we set aside this week to make a special display of Leonard Refrigerators. It will be your opportunity to get the inside facts about refrigerators and refrigerator construction.

We take a special pleasure in explaining the features of the Leonard Cleanable to our customers. Its many points of superiority are easy to demonstrate and to understand.

Leonard Cleanable Refrigerators have a one-piece porcelain lining made of three coats of the finest porcelain lining on a basis of Armco Rust-Resisting iron. It can not break, crack or chip. It has inside rounded front corners—an exclusive, patented Leonard feature.

## Ten walls save your ice

The Leonard Cleanable has ten insulated walls to keep the heat out and the cold in. You will note the saving in your ice bills with this refrigerator.

Moreover, the perfect circulation of air is worked out on a strictly scientific basis. The air-tight locks make the door practically self-closing.

## A permanent investment

A properly built refrigerator should last you a life-time. For this reason it is economy to select a refrigerator that has been made with all the skill and care of a fine piece of furniture. In brief, make your refrigerator purchase a permanent investment.

Don't fail to come in some time during the week and see the Leonard Cleanable and other models. Even though you are not planning to buy a refrigerator right now—this is your chance to see all the models and plan just what kind you need.

## Story's Exchange

### FARM LANDS

Now with the coming of settled weather and good roads we are ready to "go some more." The following farms are just now listed and are being first offered for sale.

(a)—160 acres, three and one half miles from a good Morgan county town, convenient to church and school, public road on two sides and in a splendid neighborhood. There are 100 acres of black land a little rolling land just at the barn where you need it. New house, large horse barn and other outbuildings. Price \$250 an acre.  
(b)—A splendid farm of 320 acres straight south of the city, nearly all level farming land in high state of fertility, well fenced, and all in grass but 40 acres. A good two story house, large horse barn, hog barn and other outbuildings. Price \$150 an acre.  
(c)—220 acres four miles from town, well improved, for \$150 an acre. Will consider some city property in exchange.

### CITY PROPERTY

(a)—In the third ward we have a five room cottage with gas and electric, paved street, deep lot. \$1600.  
(b)—In the third ward a six room house, gas and water inside, garage and chicken house. This is a beautiful home for \$3600.  
(c)—In the second ward there is a splendid house of eight rooms, large lot, east front, barn and garage. Fine location. Price \$6000.

### MONEY

We are listing money to lend every few days. Let us know how much you can use.

## Farm Bureau Notes

### Grain Grading Demonstration.

R. R. Saunders of the grain corporation of St. Louis will be in charge of the grain grading demonstration at the farm bureau office on Friday morning and afternoon. Mr. Saunders will illustrate the method of grading wheat, corn and oats at the terminal markets according to the recent government standards. These demonstrations will be given to groups beginning at 9 o'clock. Visitors who cannot stay to see the entire demonstration may request a demonstration on the particular grain they desire to see graded. A special invitation is extended to grain buyers and farm bureau members to attend this demonstration. Both grain dealers and farm bureau members should understand the process. If these demonstrations do not interest the people mentioned, we are certainly guessing as to what to stage for both dealers and farm bureau members.

### Pig Club.

Edward L. Dillon, teacher of agriculture in the Waverly township High school attended the conference of Duroc men Friday night and contributed very materially to the discussion. Wednesday he wrote that four of the Waverly boys want to enter the Morgan County Pig club and are ready to draw whenever the pigs are ready to be distributed. J. A. Leitz, principal of Murrayville High school gave us the names of several boys at Murrayville who have enrolled for pig club work.

### Soy Beans Survive Winter.

Last spring O. A. Rohrer of Waverly showed the county agent a field where soy beans were coming up volunteer in the corn. The stand was so good that Mr. Rohrer plowed the corn one way and had the beans for hogging down. William G. Richardson of the Point neighborhood showed us Tuesday a twenty acre field that has a very uniform stand of volunteer soy beans. At present the field is unplowed and Mr. Richardson is seriously considering the matter of letting this volunteer crop stand for either hay, seed or pasture. In both cases it has been the Ebony that has withstood the winter.

**Duroc Meeting Friday Night.**  
The Duroc breeders will meet again Friday night at the farm bureau office to perfect the Duroc Breeders' association started at the recent meeting. The committee on constitution and by-laws consisting of Howard Stevenson, Claude Kinnett and C. R. Gibson will report at this meeting. Quite a number of breeders who were not present last Friday night say that they will attend this meeting.

### CASTOR OIL NOW

### MADE TASTELESS

Remarkable Process Perfected by Chemists of Spencer Kellogg & Sons, Inc.

Nobody ever dreamed that castor oil could be made tasteless. Yet it has been done. Chemists of Spencer Kellogg & Sons, Inc., one of the world's largest manufacturers of castor oil, have perfected a wonderful process whereby castor oil is made absolutely tasteless. Nothing is removed except that disagreeable taste. Strength and purity remain absolutely unchanged. It's the same castor oil that your doctor prescribes with the nauseating taste eliminated. Think what a boon Kellogg's Tasteless Castor Oil is to children and even grown-ups! Insist on Kellogg's Tasteless Castor Oil if you want a castor oil that is really tasteless. Two sizes, 35c and 65c. At all good druggists.—Adv.

**SURPASSES OWN CLAIMS OPINION OF MRS. POWELL**

"Trutona's Best Medicine I've Ever Taken," Decatur Woman Says.

Decatur, Ill., June 3.—"I want to recommend Trutona as the best medicine I have ever taken, for it is all and more than is claimed for it," says Mrs. M. N. Powell, a well-known Decatur woman who resides at 404 East Division street. Mrs. Powell says further:

"For the past two years I have experienced poor health. Then after I had the 'flu' about a year ago my condition became worse. Every day I'd suffer spells of weakness, usually in the afternoon, when I'd be forced to lie down. I was so weak and nervous that I didn't rest well at night, and constipation bothered me so much I had to take laxatives quite frequently.

"I had tried many other medicines, but I never found anything that gave me so much relief as Trutona. I feel much stronger all over now, and I don't suffer the weak spells as before. My appetite is much improved. I enjoy my meals now and my bowels are nearer normal now than they've been for several years. It certainly is a relief to be able to sleep at night, and that's what I'm doing these nights. Trutona's the best medicine I've ever taken and I want to recommend it to others."

Trutona's healthful action reaches every portion of the body, and it performs its work faithfully and efficiently. Trutona rebuilds diseased nerves and tissues, creates a healthful appetite and assists in the assimilation and digestion of the food.

Trutona is being explained and introduced in Jacksonville by Coover & Shreve and is sold in Waverly by Wyle Drug Co. and in Franklin by Wyle Drug Co.—Adv.

## INDEES HOPE TO

## OPEN SEASON SUNDAY

Manager Smith Announces Contest With Fast Decatur Team—Game Will be Played Weather Permitting—Schedule of Games.

At last fans are to have an opportunity of seeing a real, honest to goodness baseball game. Manager Frank Smith announced yesterday that weather permitting the Indies would open the season the coming Sunday.

The Illinois Traction team of Decatur will be the opening attraction. This team has played several games the present season and has won the majority of them. The ones which were lost were by a one run margin.

Smith has not as yet decided on the lineup for the opener. However, it probably will be the same as that used in the practice game last Sunday with the exception of the pitcher. Padgett has written from Palmyra that he is in good shape and hopes to get a chance to work in the opening game.

The following games have so far been scheduled for the season.

June 13—Bowling Green, Mo.  
June 20—Portman club of Peoria.

June 27—Greys of Normal.

July 3-4-5—Black Devils club of Peoria.

July 11—Paris Cleaners of Springfield.

July 18—K. C. team of Peoria.

July 25—Rainbows of Pekin.

Aug. 1—Dawson.

Aug. 8—Myers Bros. of Springfield.

Aug. 15—"Cheap Charlie" club of Bloomington.

Aug. 22—Union Giants of Springfield.

Aug. 29—Leader Iron Works of Decatur.

Sept. 4-5-6—Rainbows of Pekin (probably.)

### HOW CIVILIANS MAY LEARN AVIATION

Rules Laid Down by War Department for Entering Service—Two Aeroplanes Fly Over City.

The presence of two aeroplanes above the city yesterday afternoon brought forward the question of flying and means of learning to operate the machines. At the present time it is next to impossible for the average young man to learn unless it be in the army aero service. The following extract from a recent army order gives information as to the method of a civilian getting into the air service. Additional information may be obtained at the recruiting office on East State street.

Civilians who are citizens of the United States, have a high school education and are between the ages of 20 and 27, inclusive, may submit application for training as flying cadet.

Applicants from civil life may make application in duplicate for appointment as flying cadets to nearest air service station. Upon receipt of such application at station, a form letter will be furnished to the applicant, who will be instructed to fill out the form letter and forward directly to director of air service. Civilians whose applications are approved will be notified to appear before examining board. Applicants from civil life will be required to bear all expenses incident to their appearance before the board. Examining boards for the central department are located as follows:

McCook Field, Dayton, Ohio. Aviation repair depot, Speedway, Indianapolis, Ind. U. S. army balloon school, Fort Omaha, Neb.

Qualified civilian applicants, who have been selected for training as flying cadets will be notified to present themselves at the nearest army recruiting station, to be enlisted as flying cadets. Those who successfully complete the training, will be commissioned as second lieutenants in officers reserve corps.

Flying cadets appointed from civil life who successfully complete the course will be commissioned second lieutenants in officers reserve corps and discharged as cadets. If found unqualified they will be discharged from the service.

Civilians appointees will be furnished with complete uniform and equipment upon their arrival at flying school.

The base pay of flying cadets is \$75 per month, which includes flying pay. The mess allowance is \$1 per day; the clothing and other allowances are those of private, first class, air service.

Civilian appointees when honorably discharged, will receive travel pay and allowances authorized for enlisted men.

## Quick Action Corn Cure

"Gets-It" Stops Pain Instantly and Corn Soon Lifts Right Off.

A few drops of "Gets-It" quenches corn pains like water quenches fire. Gives you immediate relief.

"Gets-It" Feels It Off

The corn begins to lose its grip at once. In a day or two it is so loose that you can lift it off, roots and all, with thumb and finger. That's the last of it, as millions have found out. It is the simple, effective and common-sense way to the rid of corns.

"Gets-It" the never-failing, guaranteed, money-back corn remover, costs but a trifle at any drug store. Mfd by E. Lawrence & Co., Chicago. Sold in Jacksonville and Recommended as the World's Best Corn Remedy by Armstrong's Drug Stores.

## Daily Market Report

### HEAVY BUYING IN CORN MARKET

CHICAGO, June 3.—Corn ruled higher in price most of the time today as a result of continued traffic difficulties, but the market became overbought. The close was nervous, 1c to 2c net lower, with July \$1.73 to \$1.75, and September \$1.60 to \$1.65. Oats finished unchanged to 1c down, and provisions varying from 7c decline to 10c advance.

It was not until after midday that bulls in the corn market showed signs of at least temporary exhaustion. Until then the demand proved more than sufficient to absorb all profit-taking sales and to check traders who were looking for a setback in values. At the last, however, aggressive support was not forthcoming and prices underwent a pronounced drop. The fact that receipts here were still meager, together with reports that eastern supplies were dwindling, had much to do with keeping attention focused on railway handicaps. Nevertheless, in the end, considerable notice was being taken of the annulment of restrictions by two of the roads. Warnings that the penal sections of the interstate commerce act would be invoked counted somewhat too as a bearish factor.

Oats sympathized with corn and transient swell the market touched the highest prices yet this season.

Provisions were dull and without important change.

### TREND OF STOCK MARKET SLUGGISH

NEW YORK, June 3.—The trend of today's sluggish stock market session was irregularly upward, although there were no very obvious changes in general conditions affecting intrinsic values.

Shorts again deemed it advisable to limit their commitments in view of the easier tone of demand loans. Call money was abundantly offered at 6 per cent, but the money continued extremely scarce, most loans being restricted to mid-year maturity. A reactionary tone prevailed in foreign exchange, the London rate forfeiting most of yesterday's latest strength.

In the steel trade there were rumors of price cutting for fall and winter delivery, but this was neutralized by an extension of the recent inquiry for railroad equipment and refined copper.

Apart from the fluctuations or selected issues still under professional or pool guidance, rails were the only features of note. Encouraging crop reports exerted further beneficial effect upon shares of western and southwestern roads. Steels and affiliated equipments were most prominent, with intermittent interest in motor, oil, food, tobacco and shipping issues. Extreme gains of one to three points were materially shaded or entirely effaced entirely in the moderate selling at the close. Sales amounted to 425,000 shares.

Any tendency toward betterment in the bond market was checked by further persistent pressure upon liberty issues. Gross recessions in that group extended from 1/4 to almost 1 1/2 per cent, with rallies at the end. The general domestic and foreign bond list was hesitant at slight changes. Total sales (par value) aggregated \$13,800,000. United States bonds were unaltered on call.

## WORKS HARD TO AVERT FLU EPIDEMIC

Government and City Health Officials Warn People to Keep Clean.

Stay Away from People with Coughs and Colds.

"Avoid crowds if you want to avoid influenza," says Association for Improving the Conditions of New York.

Keep your hands clean, drink plenty of fresh water; sleep with windows open; eat three uniform meals a day including a good breakfast.

People who have catarrh or frequent colds invite influenza, declares a prominent Kentucky druggist.

The membrane of the throat and nose is raw, sore and tender, and makes a lovely abiding place for germs to thrive and multiply.

He advises an inexpensive home-made remedy that will bring relief in less than a day and will stop all discharge and soothe and heal the inflamed membrane in a few days. Thousands are making this beneficial remedy at home and anyone who has catarrh or a cold can do the same.

Pour three-quarters of an ounce of Mentholized Arcline into a pint bottle, then fill the bottle with water that has been boiled.

Gargle the throat as directed and sniff or spray the liquid into the nostrils twice daily. It's a simple way to get rid of cold and catarrh and keeps the nasal passage and throat clean and healthy.

Nearly all druggists dispense Mentholized Arcline in vials containing exactly three-quarters of an ounce, which is all you need to make a pint of this healthful medicine.

**A MEMORABLE  
ANNIVERSARY.**

June 3 will always be a memorable anniversary to Riggs Taylor and few of the First Missouri cavalry. It was June 3, 1864, when Mr. Taylor made his last raid and for the best of reasons. Thomas Marshall, cousin of Mrs. W. T. Price of Virginia, had been placed in command of a squad of eleven men to escort a militia captain to visit his family and the vile bushwhackers lay in wait for the little band. On the way there one of them shot Mr. Taylor's horse but they got him all right and went on. Marshall and Taylor said if Taylor had been killed he would never have gotten over it.

The captain made his visit and on the return they were ambushed by twenty-four devils in hiding. Mr. Taylor received a severe wound in his side which was 23 months in healing while the militia captain and Tom Marshall were killed, and not satisfied with taking Marshall's life the devils mutilated his body. Young John E. Wright, a member of Company G, swore vengeance for that dastardly deed and while he never boasted of it he told the writer he had the satisfaction of knowing that he got 23 of the scoundrels.

In the squad was a man named Sheppard and one named Wilhite. When Mr. Taylor's adopted daughter, Mrs. Ivan Agee, was at Litchfield she met Mr. Wilhite and during their conversation she mentioned her foster father and Mr. Wilhite at once remarked that they served together. She told Mr. Taylor who at once went down to Litchfield enjoyed a pleasant visit with his former comrade in arms. It was in that same district that the notorious Jim Field, guerrilla leader, operated with such havoc. One day John

E. Wright was in charge of a squad of cavalry and heard that Field was in a certain house near a swamp. The outlaw had a swift horse and they knew if he got to his horse or the swamp then he would get away so they took means to prevent it. Young Wright rode down a fence and as he neared the house he saw Field break for the swamp but managed to intercept him. Field was a powerful man and seized the young cavalryman before the latter could draw his gun and the battle was getting hot for the union soldier when one of his command shot Field and ended the fight.
